## Test Corrections Worksheet

The purpose here is to determine what went wrong and to demonstrate your progress in making up for lost learning opportunities. Please staple your test answer sheet to the back of this.

Date of Exam: Predicted Grade: Actual Grade:

Describe your study process below - what did you do to prepare for this exam?

## Reflection Section

1. What topic of study did you do the worst on?
2. What can you do differently next time to earn a higher grade on this type of exam?
3. What are some specific strategies you can use while taking this type of test?

## Complete the Table

Explore why you got each question wrong? (See examples here)
I. Did not read the question carefully (careless error)
II. Did not complete the necessary assignment or have it with me
III. Did not take quality notes when lectures were given
IV. Did not study for the test enough (using the examples provided on-line)
V. This stuff was never covered in class (not a fair question)
VI. I forgot to answer it / left it blank.
VII. Other (please explain)
